The screenshot displays a web application titled "Secure File Upload". At the top, there is a logo featuring a camera icon with a red 'X' over it, flanked by the text "WWW.MBSM.PRO" in a red, arched font. Below the logo, the title "Secure File Upload" is centered. A navigation bar contains four buttons: "Help", "Mbsm.tn", "Mbsm.pro", and "List". Below this, a file selection area shows a "Choose Files" button and the text "No file chosen". A security verification section asks "What is 1 + 0 =" with an input field and a blue "Upload Files" button. Below the input field is a red "Refresh" button. At the bottom, there is a long, empty rectangular box. The footer of the page includes the text "Private Medias" and "Copyright Mbsm.tn".
